Government Programs network**

Dear Doctor:

Delta Dental Insurance Company (Delta Dental) is happy to announce the formation of a Texas Medicaid dentist network and you are invited to join.

We have significant experience with various state and local CHIP and Medicaid programs in Texas, in addition to our many employer and individual dental plans, including the California Medicaid dental program that currently covers 12.5 million enrollees.

Your participation in Delta Dental's Texas Medicaid network is key to our commitment to provide a quality network to care for Texas Medicaid members.

To join, please first go to deltadentalins.com/group_sites/gov/providers.html and click on "Application package." You'll find the following documents:

- Participating Provider Agreement – Government Programs
- Credentialing form
- Practice Location form
- Tax Identification Number (TIN) form
- Direct deposit enrollment

The Schedule of Contracted Fees and the fee exhibit specific to this program are enclosed. Please sign the Schedule of Contracted Fees and initial the fee exhibit. Return both to Delta Dental – Government Programs along with the completed "Application package" in one of the following ways:
